

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY!

For purposes of this Notice “us” “we” and “our” refers to the practice of Derrick L. Williamson, DDS, MS, PC and “you” or “your” refers to our patients (or their legal representatives as determined by us in accordance with Illinois informed consent law). When you receive health-care services from us, we will obtain access to your medical information (e.g., your health history).

We are committed to maintaining the privacy of your health information and we have implemented numerous procedures to ensure that we do so.

Illinois law and the Health Insurance Portability & Accountability Act of 1996 (HIPAA) require us to maintain the confidentiality of all your health-care records and other individually identifiable health information used by or disclosed to us in any form, whether electronically, on paper, or orally (“PHI” or Protected Health Information). HIPAA is a federal law that gives you significant new rights to understand and control how your health information is used. HIPAA and Illinois law provide penalties for covered entities and records owners, respectively, that misuse or improperly disclose PHI.

Starting April 14, 2003, HIPAA requires us to provide you with this Notice of our legal duties and the privacy practices we are required to follow when you first come into our office for health-care services. If you have any questions about this Notice, please ask to speak to our privacy officer at:

Derrick L. Williamson, DDS, MS, PC
1220 Hobson Road; Suite 212
Naperville, IL 60540

Our doctors, clinical staff, Business Associates (outside contractors we hire), employees and other office personnel follow the policies and procedures set forth in this notice. If your regular doctor is unavailable to assist you (e.g. illness, on-call coverage, vacation, etc.), we may provide you with the name of another health-care provider outside our practice for you to consult with by telephone. If we do so, that provider will follow the policies and procedures set forth in this notice or those established for his or her practice, so long as they substantially conform to those for our practice.

OUR RULES ON HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

Under the law, we must have your signature on a written, dated Consent form and/ or an Authorization form (not an Acknowledgment form) before we will use and disclose your PHI for certain purposes as detailed in the rules below.

Documentation: You will be asked to sign a Consent form and/or an Authorization form when you receive this Notice of Privacy Practices. If you did not sign such a form or need a copy of the one you signed, please contact our privacy officer. You may take back or revoke your Consent or Authorization at any time (unless we already have acted based on it) by submitting our Revocation form in writing to us at our address listed above. Your revocation will take effect when we actually receive it. We cannot give it retroactive effect, so it will not affect any use or disclosure that occurred in our reliance on your Consent or Authorization prior to revocation (e.g., if after we provide services to you, you revoke your Authorization or Consent in order to prevent us billing or collecting for those services, your revocation will have no effect because we relied on your Authorization or Consent to provide services before you revoked it).

General Rule: If you do not sign our **Consent** form or if you revoke it, as a general rule (subject to exceptions described below under “Healthcare Treatment, Payment and Operations Rule” and “Special Rules”), we cannot in any manner use or disclose to anyone (excluding you, but including payers and Business Associates) your PHI or any other information in your medical record. Under Illinois law, we are unable to submit claims to payers under assignment of benefits without your signature on our Consent form. We will not condition treatment on your signing an Authorization, but we may be forced to decline you as a new patient or discontinue you as an active patient if you choose not to sign the Consent or revoke it.

Health-care Treatment, Payment and Operations Rule With your signed Consent, we may use or disclose your PHI in order:

- To provide you with or coordinate health-care treatment and services. For example, we may review your health history form to form a diagnosis and treatment plan, consult with other doctors about your care, delegate tasks to ancillary staff, call in prescriptions to your pharmacy, disclose needed information to your family or others so they may assist you with home care, arrange appointments with other health-care providers, schedule lab work for you, etc.;
- To bill or collect payment from you, an insurance company, a managed-care organization, a health benefits plan or another third party. For example, we may need to verify your insurance coverage, submit your PHI on claim forms in order to get reimbursed for our services, obtain pre-treatment estimates or prior authorizations from your health plan or provide your X-rays because your health plan requires them for payment; or
- To run our office, assess the quality of care our patients receive and provide you with customer service. For example, to improve efficiency and reduce costs associated with missed appointments, we may contact you by telephone, mail or otherwise remind you of scheduled appointments, we may leave messages with whomever answers your telephone or e-mail to contact us (but we will not give out detailed PHI), we may call you by name from the waiting room, we may ask you to put your name on a sign-in sheet, we may tell you about or recommend health-related products and complementary or alternative treatments that may interest you, we may review your PHI to evaluate our staff’s performance, or our privacy officer may review your records to assist you with complaints. If you prefer that we not contact you with appointment reminders or information about treatment alternatives or health-related products and services, please notify us in writing at our address listed above and we will not use or disclose your PHI for these purposes.
